House", Tuzla (BA)

### AIMS

The general aim of the project is to enhance the cultural resources of the city of Tuzla.

More specifically, the project aims at improving the abilities of the museum and tourist operators in Tuzla and in Bologna, promoting tourism in Tuzla and promoting the intervention model developed by the projects CuLTuRe and CuLTuRe II respectively.

promotion;

5. Setting-up and development of an educational tourist-route;
6. Seminar on cinema/music/visual arts, addressed to young artists, coming from war or post-war areas, on the subject "Art of Dialogue - Dialogue of Arts";
7. Organization, development and promotion of the international festival for young artists named "Art of Dialogue - Dialogue of Arts".

### MAIN ACTIVITIES

1. Classification and organization of paperwork, filing and iconographic material produced and collected during the training and research activities of the project CuLTuRe;
2. Development and spreading of a multimedia instrument / information package about cultural tourism and related European funding, to be used in different contexts;
3. Training museum operators on the subject of didactics about museum settings and preparation of exhibitions.
4. Training public and private operators on the subject of tourism

### EXPECTED RESULTS

- A multimedia instrument / info-package on cultural tourism and European funding;
- Development of the first edition of the International Youth Festival of cinema/music/visual art in Tuzla;
- Enhanced abilities of museum and tourist operators in Tuzla and Bologna;
- Development of the educational tourist-route in Tuzla;
- A new network of young artists between Bologna and Tuzla on the subject of intercultural dialogue.
