CONTEXT

The European Capital of Democracy Initiative has built a strong network of Cities fostering local democracy. Together with citizens, politicians, and institutions it is improving our democracies.

ACTIVITIES

The Programme year features a variety of projects and initiatives to celebrate democracy, showcase best practices and to address the central debates of our political present and future. Together with citizens, institutions, civil society and businesses, we co-create an engaging, diverse and inclusive programme for an Europe-wide audience.

EXPECTED RESULTS

To strengthen and innovate democracy with the aim to create an inclusive democratic experience

ABOUT BOLOGNA

In addition to participating in the seminars and organized visits of the other partners, Bologna will organize an open online workshop, an online seminar only for partners and an event (that will be held in Bologna) on the topics of diversity and inclusion.
